## PASTOR'S PEN

Last week we reflected upon the need to persevere in prayer and not grow weary. This week we are invited to reflect upon the way we approach God in prayer. For the Pharisee, the focus of his prayer was all about himself and how great a person he was in relation to the rest of humanity. For the tax collector we meet a public sinner who prayerfully placed his life in the hands of a merciful God.

The Pharisee does not recognize any need for God. He has followed all the religious rules and now he believes he has a free ticket to heaven. His pride has blinded him to the need for God's mercy. He would be comfortable singing the song by Mac Davis, "O Lord it's hard to be humble when you're perfect in every way." The Pharisee may have followed the rules of perfection, but he missed the Great Commandment. He thought he knew what God wanted but he really did not know God at all.

By comparing himself to the tax collector, the Pharisee turned religion into competition. Comparing ourselves to someone else is always a dead-end street. Each of us is uniquely made in God's image and likeness and each of us has a particular role to play in God's plan of salvation. Our identity is not found in comparing ourselves to others. Our identity is found in our relationship with God and who we are as children of God.

The tax collector was aware of his need for mercy. In the time of Jesus tax collectors were seen as traitors and thieves. They sided with the Roman occupation of Israel and often took more than the required taxes from the people. Thankfully, he knew of the need to come before the Lord with a humble heart and to ask for God's mercy; yet we're not sure if he made a commitment to change his life now that he has recognized his sin.

Both characters in this parable challenge us to look into our hearts so that we can understand the nature of our prayer before the Lord and the need for ongoing conversion of heart. One of the fruits of a strong prayer life is that we become more open to the Will of God in our life. We pray not to change God's mind but to open our mind to God's Will for us.

St. Paul was once a Pharisee who judged others as unworthy to come before God. God shared his mercy by giving St. Paul a wake-up call. In today's reading St. Paul prayerfully recognized the hand of God at work in his life, rescuing him from his sinful past.

The first step to change is awareness. The Pharisee was not aware of any need to make a change in his life. He was perfect and very willing to show others the error of their ways. The tax collector was aware of his need to change and therefore he had a better chance of turning his life around and becoming a new person. God is always ready to forgive and to show mercy. What is the prayer of your heart today?

### Feast of All Saints

This Friday, November 1st, the Church celebrates the Feast of All Saints, a Holy Day of Obligation. The Mass times for the Pastoral Region are as follows:

<b>October 31st</b>	5:15 PM at Emmanuel Church
<b>November 1st</b>	7:30 AM at Emmanuel Church
	12:00 Noon at St. Joseph Church
	6:00 PM at Holy Trinity Church

On this Solemnity of All Saints we celebrate those men and women of faith who lived the call to holiness so well that they can be looked upon as role models for us to follow. By the witness of their lives the Word of God comes alive in the world and we see a little more clearly what it means to live the gospel and to participate in the building of the Kingdom of God. Jesus has given us all that we need to become saints!

## REGION ANNOUNCEMENTS

**Today, Sunday, October 27th is Priesthood Sunday.** A day to honor priests without whom the Mass could not be offered and Sacraments could not be celebrated. The number of priests has steadily declined in the last 50 years and the men who answered the call to priesthood are working harder than ever before. Today we give thanks and honor our priests for all they do. Thank you Fr. Angelo, Fr. Matt and Fr. Ken!

**Next weekend is the Collection for the Archdiocese for the Military Services, USA (AMS).** Established by Saint John Paul II in 1985, the AMS is the only U.S. diocese responsible for providing pastoral care to men and women serving in the U.S. Armed Forces, enrolled at a U.S. Military Academy, being treated as a patient at any of the 153 U.S. Department of Veterans Affairs Medical Centers, or working for the federal government beyond U.S. borders—including those from own parish and diocese. Including families, AMS priests and deacons serving approximately 1.8 million Catholics who hail from 50 states and U.S. territories. While the salaries and retirement of Catholic military chaplains are paid for by the U.S. Government, the AMS does not receive any funding from the government or military for program and administrative costs. To learn more about the AMS, go to [www.milarch.org/nationalcollection](http://www.milarch.org/nationalcollection). Thank you!
