St. Gaspar Family of Parishes

St. Gaspar Family of Parishes is served by the Missionaries of the Precious Blood

Pastor, Fr. Anthony Fortman, C.P.P.S.

Parochial Vicar, Fr. Seraphine Lesiriam, C.P.P.S., Parochial Vicar Fr. Jim "Santiago" Gaynor, C.P.P.S.

Lord, You do know what it means to be fully human because You died. We have not died yet. Jesus, You know what it means to be rejected and spit upon. You took all the evil in the world and put it upon Yourself. No human being could take that weight.

Jesus, You have much to teach us still. We may know the ways of the world, but we do not always know your ways. Your thoughts are not our thoughts and Your ways are not our ways. Jesus, bless us with humility and understanding so that we can follow You more closely. Help me to take off the old self and put on the new resurrected self.

The resurrection of Christ means everything for us Christians. No one dies and comes back to life again. Especially if you've been dead for three days. Only God can do that. Only God could raise Lazarus from the dead. Lazarus was dead for four days. Miracles are happening all around us. God does answer our prayers. He hears every prayer you say. We just have to be patient. This is the resurrection season. There are new beginnings, new creation, and resurrection all around us.

This is a time of joy and feasting. Do not be sad. God has great things planned for all of us in these weeks ahead. We are a resurrected people and nothing is impossible for God.

God bless you all,

Fr. Tony Fortman, C.P.P.S.

Pastor's Desk

Jesus is risen! Hallelujah! Hallelujah! Hallelujah! Thank you Jesus for conquering death. Thank you Jesus for taking our sins away through the shedding of Your precious blood! Jesus, You are the king that conquers death. Without You, we can do nothing. When all seemed lost, You conquered nature. Only You can conquer our human nature.

Welcome

St. Gaspar Family News

Easter Welcome

This Easter Sunday, we, the St. Gaspar Family of Parishes, extend a warm welcome to you! Our family consists of six parishes, all served by the Precious Blood order of priests. Our locations include three churches downtown: Emmanuel, Holy Trinity, and St. Joseph. Additionally, we have churches in Northwest Dayton: Precious Blood, St. Paul, and St. Rita, along with Mother Maria Anna Brunner Pre-K and Elementary School.

As a Next Generation Parish, we participate in a program facilitated by the Catholic Leadership Institute. This initiative aims to cultivate leadership and foster growth within Catholic communities. Over a four-year period, the program will assess our parish's strengths and opportunities, develop a vision for the future, and encourage a deeper missionary spirit within our community.

In July of 2023, we unveiled our Family Logo, shown above, which represents the significance of the Eucharist in our lives and our connection to our Precious Blood priests. The logo features six drops of blood on a chalice, representing our six parishes and symbolizing our unity as the body and blood of Christ.

Through the Next Generation Parish initiative, conducted in partnership with the Diocesan-wide Beacons of Light program, we will be included in shared learning, professional development, and practical skill-building for leaders within the community.

There will be implementation of an improved communication system for the parish, along with the development and facilitation of a comprehensive 3-Year Pastoral Plan. Additionally, three years of coaching and on-site support will be provided for the pastor to ensure effective implementation. This initiative aims to cultivate a deeper sense of discipleship and missionary spirit within the parish while also achieving measurable increases in Mass attendance and weekly offertory.

While some of our progress can be measured with other parishes in the Archdiocese of Cincinnati going through the Beacons of Light process, we have been in step with some of our shared goals while moving thoughtfully with others. We maintain six separate offices. Staff information as well as information about Baptism, RCIA, Marriage and Pastoral Care can be found on page 13.

Our Website

St. Gaspar Family of Parishes does not have a combined website to date, for the interim, we have created a shared landing page that links to all of our parishes and highlights some of our shared content. Visit: stgasparfamily.org.

Weekday 3:00 pm Rosary

@Precious Blood, Adoration Chapel

Praying the rosary at 3:00 pm daily holds special significance and is associated with the "Hour of Mercy" or the "Three O'Clock Prayer," which commemorates the hour of Christ's death on the cross and is believed to be a powerful time for prayer and reflection. Praying the rosary at 3:00 pm can be a beautiful opportunity to pause amidst the busyness of life, reflect on the profound mysteries of our Catholic faith, and unite in prayer with fellow believers around the world. It's a time to seek God's mercy, grace, and guidance, and to lift up our intentions and concerns to the Divine.

The St Gaspar Respect Life Group Nationwide Invitation to Prayer Announcement

Archbishop Timothy P. Broglio, President, U.S. Conference of Catholic Bishops
Bishop Michael F. Burbidge, Chairman, USCCB Committee on Pro-Life Activities

On March 26, the U.S. Supreme Court heard oral arguments in a case that has the potential to make a major impact in the widespread accessibility of chemical abortion (abortion pills). Chemical abortions are now the most common form of abortion in the United States.

From the St Gaspar Respect Life Group

March 31—Week 2

Though Mary does not yet feel our savior inside her, he is growing rapidly! One single divine cell becomes two, then four, and eight. Jesus, looking like a tiny ball, implants himself in Mary's uterus this week. Through this bond, she will provide for all his needs. Jesus of the womb, Hear our prayers!

The case is in response to the Food and Drug Administration's (FDA) promoting the availability of chemical abortion while ignoring risks to women and violating federal law. In short, the FDA has enabled a nationwide mail-order abortion industry and turned neighborhood pharmacies into chemical abortion providers.

While the Supreme Court case is not about ending chemical abortion, it can restore limitations that the FDA has overridden. When a Supreme Court decision is released, probably in June, we can expect a public and political reaction similar to the Dobbs decision that overturned Roe v. Wade.

The USCCB Committee on Pro-Life Activities is inviting Catholics to join a focused effort of prayer for the end of abortion and the protection of women and preborn children, beginning on March 25, the eve of the oral arguments, and the anniversary of St. John Paul II's landmark, pro-life encyclical, The Gospel of Life (Evangelium vitae). In particular, we will invoke the intercession of St. Joseph, Defender of Life with this prayer:

Dearest St. Joseph, at the word of an angel, you lovingly took Mary into your home. As God's humble servant, you guided the Holy Family on the road to Bethlehem, welcomed Jesus as your own son in the shelter of a manger, and fled far from your homeland for the safety of both Mother and Child. We praise God that as their faithful protector, you never hesitated to sacrifice for those entrusted to you. May your example inspire us also to welcome, cherish, and safeguard God's most precious gift of life. Help us to faithfully commit ourselves to the service and defense of human life —especially where it is vulnerable or threatened. Obtain for us the grace to do the will of God in all things. Amen.

We ask Catholics to offer this prayer daily, from March 25 through June, when a decision is expected. Online and print versions of the prayer can be found at: respectlife.org/prayer-to-st-joseph.

Thank you for responding to this invitation to prayer for an end to all abortions and for the protection of women and preborn children. St. Joseph, Defender of Life, pray for us!

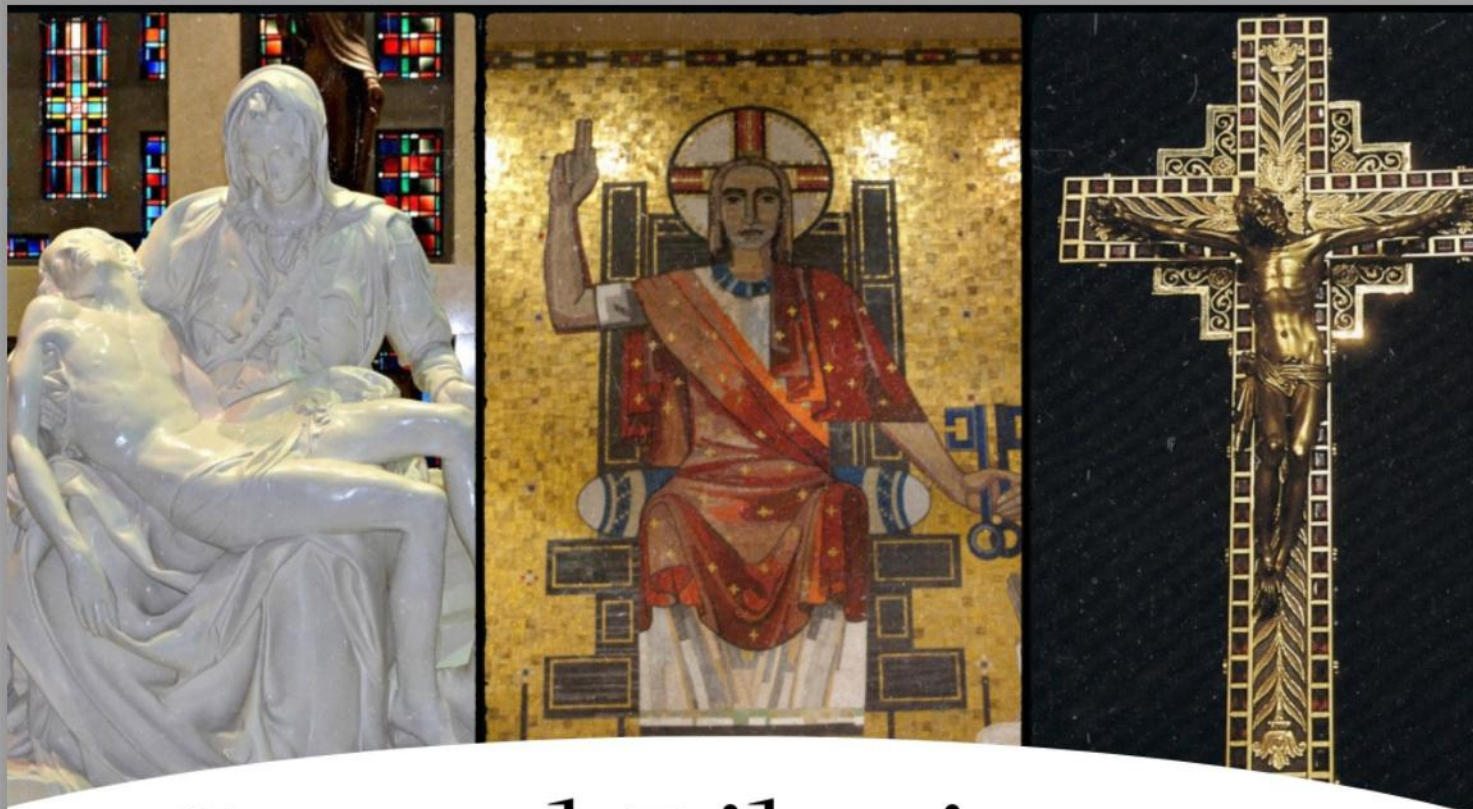

The Holy Land Shepherds Olive Wood Tree Carvings

@Precious Blood, St. Paul and St. Rita, April 20 & 21

The carving of the Olive Wood Tree has been inherited since the time of our Lord, Jesus Christ. It was passed down from father to son for many generations including our family. More than 80% of the Christian community income comes from tourism and the olive wood trade. However, due to the ongoing difficult circumstances and the tremendous decrease in tourism, the Christian community has suffered many hardships that led many Christian Families to leave their homes in search of work and safety.

We are happy to announce that we will be visiting your parish on April 20th & 21st. We encourage you to look over their beautiful hand carved items. We value your support. We will be accepting cash, credit cards & checks. May God bless you & keep you safe, The Holy Land Shepherds.

THE POWER OF COMMUNICATION IN OUR MINISTRY

Earlier this year a young woman, who had just had a baby, called the Assistance Line for help with rent and AES. She was living in what sounded like a rundown house and had no one to turn to. She was in a near panic because she did not have money for rent and soon she would be disconnected from AES. She had always worked at low wage jobs and paid her bills, but now with a baby she did not know how she would be able to work.

The house she was living in was owned by her father, whom she described as totally uncaring and letting the house deteriorate. I told her that I would have to speak with him if we were to help with rent. She said it would be useless, but she gave me his contact information.

When speaking with him, he told me how disappointed he was with his irresponsible daughter. After hearing his point of view, I described in detail as much as I could about his daughter's desperate situation with the baby. He said he would call her and see what they could both do to make things better.

A few days later, I spoke with both. They had reconciled and had a plan to move ahead with a way for her to work and a financial agreement where he would pay her electricity and she would pay rent with a partial payment from us to get started. I was delighted and relieved that this situation looked promising for the future. As this story points out, St. Vincent de Paul helps with more than material & financial assistance. We also help mend relationships.

BY THE NUMBERS

During the first quarter of 2024 through March 18, we assisted our neighbors in need with:

- Over \$5,531.56 in rental assistance given to keep **20 adults and 14 children** in their homes
- More than \$17,032.03 in assistance given in order to keep **150 adults and 120 children's** utilities and water on
- Over \$1,833.60 worth of furniture given to **7 adults** in order to improve our neighbor's quality of life
- For January & February, we also gave food to people from **174** households, feeding **153** seniors, **210** adults and **176** children through our food pantry.

Secondly, I will be giving free dried pussywillows on Sunday, April 7th, after the 8:30 mass at Precious Blood. These require a tall vase with a small neck, so the branches don't wobble. If needed, you can use small stones or marbles at the bottom of the vase to stabilize the branches. They will last for years, as no water is needed.

The Emmanuel Pro-Life Pamphlet Rack is Back!

@Emmanuel

"The most painful experience I've ever had in my life." That's how one woman described her experience having a chemical abortion. Even the Mayo Clinic says side effects include vomiting, fever, chills, and enough pain to require pain killers.

Two pills are used to cause a chemical abortion. The first blocks progesterone, which is necessary to provide nutrients to the unborn baby. The second pill causes contractions to expel the baby. If the mother changes her mind soon enough, high doses of progesterone can be used to counteract the effects of the first pill, saving the life of the baby.

Read more about the dangers of chemical abortions and how to reverse them in "What is Medication Abortion?" in the pro-life pamphlet rack in the back of Emmanuel church.

The Eucharist

@Emmanuel, Beginning April 14

The Emmanuel Evangelization Commission is organizing 3 talks on the Eucharist over 3 Sundays:

April 21

The presenters will be Dr. Alan Mostrom, Deacon Rusty Baldwin and Fr. Patrick Gonyeau.

The talks will be at 1pm in the church. Look for more information in upcoming bulletins.

Solemnity of the Annunciation & Special Healing Mass

@Emmanuel, Monday, April 8

The Solemnity of the Annunciation of the Lord and a Special Healing Mass will be held on Monday, April 8 at 7:00 pm at Emmanuel Catholic Church. The Mass will include the Sacrament of the Anointing of the Sick and a blessing with a First Class Relic of Blessed Fr. Michael McGivney, founder of the Knights of Columbus. All are welcome to participate in this Mass especially those seeking healing physically, mentally, or spiritually.

Notes from Emmanuel's Choir Loft

From Music Director Michelle Carner

Notes from Emmanuel's Choir Loft – Composed in the 11th century, "Victimae Paschali Laudes" is the glorious sequence sung on Easter Sunday and optionally on each day of the Easter Octave. This triumphant chant is one of four sequences in liturgical use, along with Veni, Sancte Spiritus (Pentecost), Lauda Sion (Corpus Christi), and Stabat Mater (Our Lady of Sorrows). As we sing today, "Christ indeed from death is risen, our new life obtaining. Have mercy, victor King, ever reigning! Amen. Alleluia!"

Music Scholarship:

Forms are Due April 21

Additional Scholarships Available: Due to a generous donor, the Emmanuel Music Fund will be able to offer two extra scholarships this year, for a total of four! Any Emmanuel parishioner is eligible, regardless of whether you have little or much musical experience. Please consider applying—maybe God is calling you to something new! Forms are available on Emmanuel's website or on the back tables in church. Scholarship forms are due by April 21.

Pipe Organ Renovation Update

@St. Joseph

Progress in Motion: Significant strides have been made. Most notably, the majority of pipes from the existing organ have been delicately disassembled, and work is currently underway to dismantle the casework, the wooden structure housing the instrument.

Console Construction: Simultaneously, efforts are focused on constructing the new console, the central control unit comprising the keyboard and pedals. Detailed planning has facilitated the specification of components, initiation of blueprint drafting, and imminent procurement of lumber for construction.

Upcoming Milestones: Looking ahead, in mid-April, the remaining casework will be extracted from the balcony, necessitating the leveling of its floor by removing the carpet and risers. This crucial step ensures adequate clearance beneath the ceiling, accommodating the installation of the forthcoming grand and towering façade pipes.

So Many Thanks Are Due

From Holy Trinity

It has been a busy few weeks, more so than ever. So thank you to our church cleaners and decorators, all who donated items to Bridgid's Path and flowers for the sanctuary. A BIG SHOUT OUT to our parishioners, friends of the parish, and parishioners from other parishes in our Family of Parishes for helping with parking and pouring for the St. Patrick's Day celebration in the Oregon District. You all are indeed a blessing to us.

Loving Support Requested

For St. Joseph Parishioners Tyler and Mollie

Tyler and Mollie (Mehaffie) Back (Parishioners at St. Joseph Church) have a newborn son named Johnny. Immediately after his birth at 25 weeks (weighing in at 1 lb 10 oz) surgeons did fetal repair surgery for Spina Bifida at the Midwest Fetal Hospital in Minneapolis. Doctors are amazed at his fighting spirit. Family members have set up a giving campaign to help with medical expenses, travel and missed work. You can learn more about Johnny's journey at his GiveSendGo account: <https://www.givesendgo.com/GBWK3> Please keep Johnny and his family in your prayers.
