From the Pastor's Desk Unwavering Faith

In the gospel today, we see a Canaanite woman approaching Jesus. This woman has a daughter that was tormented by a demon. The apostles urge Jesus to send her away. Jesus tells the Canaanite woman that He was sent only to the lost sheep of the house of Israel. He was not sent to her and her daughter. But the woman pleads with Jesus and asks for a little scrap of blessing from Him. Jesus is impressed with this Canaanite woman's faith. Jesus expels the demon from her daughter.

During Jesus' time some people were not allowed to interact with each other. The Canaanite woman and the Samaritan woman are examples of Jewish people staying away from other tribes.

I believe Jesus is testing this Canaanite woman. She continually pleads with the Lord, asking for her daughter's healing. You and I must continually ask God for healing and help. Even when we don't get what we want, we still should continually ask. We can also ask ourselves, "Is our request good for us or bad for us?" Our request may be good for us but the vision has its time and God may be working behind the scenes to create a better situation for you and I. We just have to be still and be patient and know that God hears our request.

Patience and Belief

The Lord can move mountains and he can make the impossible possible. If we just believe Him. Jesus I trust in you. So be persistent in your prayers. Do not stop now, you've come too far. This waiting builds our faith. As we wait, let us see and appreciate all the miracles God has set before us.

Thank you very much.

Letter to the Faithful Opposing the November Amendment

August 12, 2023

Dear brothers and sisters in Christ,

On November 7, 2023, Ohioans will have the opportunity to demonstrate how our state views the sacredness of life and the dignity of women. On the November ballot will be a proposed amendment (deceptively named "The Right to Reproductive Freedom with Protections for Health and Safety") to the Ohio Constitution that would enshrine the "right" to take the lives of innocent children in the womb while harming women and families in the process. An expectant mother of any age can face many challenges, including lack of support from the father, financial strains, concerns about her own health and that of her child, and pressures from family and friends. Every woman, regardless of circumstances, should be able to depend upon a community of support. That is why Catholic social service agencies, in collaboration with many other faith-based and secular organizations, assist pregnant women in need with material resources and personal accompaniment, both during pregnancy and after their child is born. By contrast, the proposed amendment does none of that. If enacted, it would amend the Constitution of Ohio to effectively:

- Put women at risk. This amendment would enable elimination of some of the most basic, fundamental safety regulations on abortion clinics, including the current requirement for an abortion to be performed by a licensed physician.
- Threaten parental rights. The vague language in the amendment opens the door to anyone under 18 having an abortion, or even beginning cross-sex hormone treatment, without parental consent or notification.
- Allow abortion through 9 months of pregnancy. The amendment provides caveats such that a healthy, fully-formed infant in the womb who otherwise could be delivered with no issues would still be a candidate for a surgical dismemberment abortion.

We must reject this extraordinary and dangerous attempt to radically reshape Ohio through a constitutional amendment that does nothing to aid women or promote life. The amendment's supporters will claim that its passage is necessary to preserve medical treatment for women who experience miscarriages or ectopic pregnancies. This is not true. No Ohio laws – or the laws of any U.S. state, for that matter – prevent such treatment. Hospitals, including Catholic hospitals, and physicians have always provided comprehensive miscarriage care, and will continue to do so regardless of the outcome of this vote.

Vespers at Calvary

@at St. Henry Chapel, Friday, August 25

Join us for a moment of peace at the end of the week. Pray chanted Vespers with us at St. Henry Chapel at Calvary Cemetery on Friday, August 25, from 6:00-6:30 p.m. Vespers is part of the centuries-old tradition of the Liturgy of the Hours, which is the daily prayer of the Church. It uses the psalms and other New Testament texts. Morning Prayer (Lauds) and Evening Prayer (Vespers) are the two most important hours. For more information, please visit:

<https://daytonvespers.org>.

Some may insist that the Catholic Church should not be involved in politics. However, the defense of life and care for women compels our participation in this critical moral issue. As Catholics, we are morally obliged to uphold the dignity of life of all vulnerable humans – immigrants, the poor, preborn children. We cannot remain silent on a direct ballot question like the one in November. The Church must not remain on the sidelines when confronted with such a clear threat to human life and dignity and the primacy of the family. Ohio does not need a constitutional amendment that only perpetuates violence and a culture of death. I urge Catholics and all people of goodwill to pray earnestly for the defeat of this extreme amendment; to educate yourselves and your family and friends about the dangers of the proposed amendment; and to vote NO on November 7. Beyond that, we must continue our commitment to caring for women, children and families. May the Blessed Virgin Mary, mother of our Lord and Savior, and St. Joseph, protector of the family, intercede for Ohio and its families in the weeks ahead.

Sincerely yours in Christ,

Most Reverend Dennis M. Schnurr

Introducing Our Deacons...

Meet Our Deacons on the Following Pages

Who Are Our Deacons? Deacons are committed and compassionate individuals who have been called to serve our parish in a special way. They are ordained ministers, chosen for their dedication to God and their deep commitment to our faith community.

Our deacons assist our priests in various ways during our Masses and other liturgical celebrations. They proclaim the Gospel, assist in the distribution of the Eucharist, and offer heartfelt prayers for our intentions. Beyond the liturgy, they also engage in acts of charity and service, reaching out to those in need and extending the loving arms of our parish into the wider community.

St. Michael Hymnal

From the Music Director Michelle Carner

Our green hymnal, the People's Mass Book, has faithfully served us for the last twenty years. As you know, in addition to general wear and tear, the text for the Mass settings and the Order of Mass changed with the 2010 Revised Roman Missal and has long been out of date. For these and other reasons, after many months of researching and comparing possible replacements, I am very pleased to introduce to you the St. Michael Hymnal. This handsome book is a treasure-trove of noble and beautiful hymns, antiphons, and Mass settings, both old and new. You will find a great many "old friends" inside, as well as some new additions which will serve to bring beauty and splendor to our liturgies for many years to come.

How We Funded the Hymnals

Purchasing this hymnal so quickly, and without a fundraising process has been made possible by the generosity of the Scarpelli family. They have donated the entire cost in honor of their parents, Joe and Tina, who believed music is a gift from God and enhances our praise and worship of the Lord, and instilled in their children the love of music.

This Sunday!

In preparation for this grand event, we have three rehearsals lined up just for you. Mark your calendars for the following rehearsal dates:

- Wednesday, August 23
- Wednesday, August 30
- Wednesday, September 6

These sessions will take place in the St. Paul Music Room. Dust off your instruments, warm up those vocal cords, and step into the limelight as we rehearse from 6:00 to 7:30 pm.

For further information please reach out to Music Director, Marianne Pitts. You can contact her at mpitts@preciousbloodchurch.org.

Year Round RCIA

(Rite of Christian Initiation of Adults)

@Precious Blood Church, Wednesdays from 7:00-8:30 pm

This RCIA program operates throughout the entire year, with weekly sessions available without interruption. This unique approach allows individuals to join the Catholic Church at any point in time, transcending the constraints of traditional seasonal schedules.

The meetings follow a structured format encompassing prayer, catechetical presentations, scripture readings, and group discussions. Their purpose is to prepare individuals for receiving sacraments and embracing the Catholic Church. While seasoned Catholics are welcome to attend, it's important to note that the classes are primarily tailored to newcomers. Children who have been baptized in other Christian traditions are also embraced, provided they and their parents are seeking entry into the Catholic Church. This process is formally referred to as the Rite of Christian Initiation of Children.

Precious Blood Companions

@Precious Blood Church, Beginning September 10 at 1:30 pm

Precious Blood Companions are inspired by Precious Blood Spirituality. Companions are called to be in relationship with the Missionaries of the Precious Blood in order to form a community that seeks to give voice and presence to the power of the Precious Blood that draws all people near.

The journey begins by attending a Precious Blood gathering to learn more about the history of the community and core values or charisms of St. Gaspar. What you may hear will resonate in your heart because you already exhibit some of these values.

We meet once a month at Precious Blood Church. The first step is formation where you will learn more about what it means to be a Companion and about Precious Blood Spirituality. At the conclusion of formation, if you desire, you will present a written covenant with the community. Becoming a Companion is a wonderful way to strengthen your personal spirituality and to meet others who share that calling. For more information, please e-mail: John Hess at hessjp@juno.com

Gifts of Stock or Mutual Funds

Would you consider making gifts of stock or mutual fund shares? Donating shares of stock or mutual funds that have increased in value may benefit both our parish and provide personal financial benefits. Depending on your age, it may be beneficial for you to contribute assets directly from a retirement savings plan. For more details, please contact your Financial Advisor.
